Having compassionate characters such as Lantana and Tressa pitted against the heartless Stanley made for a very interesting challenge, both in combat and ideologies. Match 4

Lyla vs Azteron

Lyla			Azteron		
Lyla's first fight in Crossroads! Her progression of paranoia was interesting and tense to witness! Overall, it would have been nice to see more of Azteron outside of the fight to better utilize the divine dynamic between the two. Very engaging and enjoyable round to read.			The grand debut of a vengeful self-righteous god striking down an empathetic devout believer. The digital medium for this comic was very creatively utilized here and was an enjoyable read. A great round overall!
