Match 2

Scythe vs Raviaki

Scythe			Raviaki		
<p>Welcome back Ms. Scythe! Fun to see Scythe's Wisayumei-Tizuka flavored PTSD as one of the returning characters from our previous OCT. You put a lot of work into fleshing out the environment and people for Scythe to interact with, however I found Scythe's flirting pushed into OOC bounds and wasn't comfortable to read.</p> <p>Overall you did a good job with your opponent, foreshadowing, and the fight.</p>			<p>You weaved in all of the characters in well- I was never overwhelmed by the amount of characters used, and it really fleshed out Ravi's outsider experience in Crossroads! The illustrations were great too-- satisfying read that was highly detailed and fun.</p>

Match 3

Andrea & Octavia vs Vivian Huang & Jian Er'Ziu

Andrea & Octavia			Vivian Huang & Jian Er'Ziu		
<p>I love Andrea and Octavia's dynamic-- the drama and tension the two have throughout your round helps keep the momentum going, and creates a lot of intrigue between them. Vivian had a good dynamic with the girls and the fight was dynamic and interesting.</p>			<p>Unfortunately due to life circumstances Vivian Huang & Jian Er'Ziu forfeited this round. We hope they can enjoy their time in Crossroads!</p>

Match 4

Kiriata & Azta vs Varila

Kiriata & Azta			Varila		
What a fun read! It kept the momentum all the way up to the end. I felt that Varila could've gotten a little more screen time pre-fight, but you did a fantastic job with her as an opponent. You tied up the fight in a way that keeps the story going for both teams-- "No one goes home sad" is a great goal for these two!			What an action-packed and emotional round 1! The world was crafted beautifully and the opponents were used as great foils. Try to keep important moments within the scored round-- other than that, the prologue was a great lead-up to the round. Great job with the writing!

Second Wind: Kiriata & Azta

A note for second winds & the possibility of being matched up in the third and final round-- canon should follow the creator's own version of events throughout the tournament, so both Kiriata & Azta and Varila will continue with their R1 canonicity. Discrepancies *later on* can be regarded as the God Eater manipulating dimensions and character interactions to force more situations-- if it is alternate world versions or not is at your discretion. Canon conflicts should not be much of a problem for the second round-- if there will be a canon conflict concern after R2 results are released, we can discuss it further then.

This decision only affects the R2 opponent and side of the bracket (Kiriata & Azta will be fighting the other bracket half opponent, Raviaki).
