Reference

Who can love a man if he cannot love himself? So, chin up, little cactus! For a jolly old fungus is more attractive than a miserable one, even if it's just ever so slightly!!

-- Kamaal 'ShRaham' Rlakda

The fifth child of the former Leader of the Rlakda Family, Shrahm is now the only living member of the main branch of the family. Being assigned as the heir to the Family Throne, Shrahm is keen to do whatever job is thrown at him to prove his worth. And so, when Shrahm found an invitation to take part in a foreign tournament in his aunt's room, he did not hesitate to make the choice to accept it. . Through perhaps, his motifs might be a little more personal than he lets off.

Backstory

The Rlakda family is one of the oldest families in Tenshina, a group of Islands in the Eastern part of Heaven. The Rlakda have always been close to the God of Tenshina as the 'face' of the Kingdom; in other words, being the Foreign Minister of Tenshina throughout generations. Ever since the Kingdom has opened its boarders to the outside world after a long decade of isolation, the Family has been busier than ever, trying to aid the Kingdom catch up to the other part of the world and regain its former glory once more.

Shrahm was born as the fifth child of the former Leader of the Rlakda Family, and the member of the main branch of the family. However, the family is currently run by Shrahm's far-off aunt, as Shrahm's parents and siblings were all killed during battle a decade ago, and have not shown their soul ever since.

(food, air, rest, etc.)

Being a member of the main branch of a hold family, Shrahm has inherited the Ancient Dragon's blessing strongly and can use its powers fully.

+Blessing manipulation

(Can control blessing. Can make them physically touchable, move them around freely, and make them float midair. The materialized blessing can carry out physical attacks, nullify curses, and bounce back attacks (like a shield))

+Stronger muscles than average

Weaknesses

<Dragon's Blood>

-Action needed

(Must physically 'mold' shape of plant midair)

-Limited blessings: One-sided growth

-Still mortal.

-Dehydration

(Lack of water will weaken him significantly)

<Kamua Dagda (Main Branch)>

-Blessings weak to physical attacks

-Extension of self

(The movement of the materialized blessing corresponds with his actual hands/legs - he must move his actual body to move them.)

-Limited Blessing: Smaller manipulation

(Can only control his own inner blessing; Cannot grow plants whilst materializing blessings, and can only make shapes as large as himself (can make multiple shapes at once, but it will be smaller (as the total amount of blessing he can use stays the same) .)

-Easily dehydrated from extreme exercises

(Extreme exercise would be using his muscles for things above an average human (ex. Making a hole in the wall, kicking people across the room, etc.))

-Weakened by lack of light

(Cannot materialize blessings in completely dark area)

<Other>

-Lack of physical training

(Is not the best physical fighter as he has always mainly depended on his blessings. Also not used to physical pain.)

-Shines

(Easy to spot in a dark place)

Author's Notes

<**EDIT NOTE:** Fixed typo in "Weaknesses" section>

-Feel free to use him for whatever you need (background, passerby, etc.) and use him however you need to! I will be happy to answer any questions (or you can just interpret him how you want, that's always good too).

-Extra notes on name: The children of the Rlakda family inherit the name of one of their predecessors after they reach adulthood. Therefore, their first name is more of a title, though it is used at official meetings and in daily life. Their middle/second name is their 'true' name that was given to them when they were born, and used by friends and those close to them. 'Kamaal' is the

name inherited by the Head of the Family and their predecessors.

Shrahm will tell people their real name if he thinks the person is worthy or feels like he can get along with them in the future. . . Meaning he will pretty much tell his real name to anyone, except for in an 'official' setting.
